A special meeting of the Camden County Board of Commissioners was held Monday, May 19, 2003 at 7:00 P.M. in the Manager's Conference Room and then in Senior Center Conference Room, Courthouse Complex. The following members were present:

Chairman Jeff Jennings  
Vice Chairman Samuel K. Shaw, Sr.  
Commissioners Melvin Jeralds, J.C. Rountree and Clayton Riggs  
County Manager/Clerk to the Board Carl Classen

Chairman Jennings called the meeting to order.

The purpose of the Special Meeting was to conduct a budget workshop and to meet with NCDOT officials on the proposed FY2003-2004 Secondary Roads Program.

Budget Workshop

The County Commissioners reviewed the draft FY2003-04 county budget and discussed various items with the County Manager. In addition, the Commissioners met with Sheriff Perry and allowed him an opportunity to discuss his budget proposals.

Sheriff Perry asked whether the former Commissioners meeting room that had been used by the Extension Office could be transferred to the Sheriff's Office for use as an Investigator's Office and a Training Room. He stated that the Extension Office had not been using the room for a number of months and that he has a critical need for meeting space.

Commissioner Riggs moved to provide that, effective with the new budget, the former Commissioners meeting room be used as an Investigator's Office and a law enforcement Training Room, with the understanding that the Sheriff shall make the training room available for use by other departments if not otherwise in use for training by the Sheriff. The motion passed with Commissioners Jeralds, Riggs, Rountree, Shaw and Chairman Jennings voting aye; no Commissioners voting no; and no Commissioner absent or not voting.

Hearing no objection, Chairman Jennings stated that since 4-H was holding its summer camp out of the Treasure Point facility that 4-H programs should utilize that facility throughout the year for their programs.

NCDOT Secondary Roads Proposal

Mr. Don Connor, District Engineer – NCDOT, discussed the proposed FY2003-04 Secondary Roads program with the County Commissioners. He and other NCDOT staff answered questions from the Commissioners.

Chairman Jennings asked if there were any questions from the public regarding the proposed FY2003-04 NCDOT Secondary Roads Program. Hearing none, he continued with the agenda.

There being no further items to come before the Board, Commissioner Shaw moved to adjourn the meeting. The motion passed with Commissioners Jeralds, Riggs, Rountree, Shaw and Chairman Jennings voting aye; no Commissioners voting no; and no Commissioner absent or not voting.

The meeting adjourned at 6:45 PM.
